

Program of the Photonics Research Conference

18th June – 21st June 2014

Wednesday, June the 18th	
Afternoon	arrival and accommodation
18:00	dinner
19:30/After dinner	Pavel invitation, Sandra info o H2020
Thursday, June the 19th	
7:00 - 9:00	breakfast
9:00 – 10:30	Brief overview of the latest activities of the groups
9:00 - 9:20	Kishan Dholakia
9:20 - 9:40	Peter Galajda
9:40 - 10:00	Tom Čižmár
10:00 - 10:20	Pavel Zemánek
10:30 – 11:00	coffee break
11:00 – 13:00	Biophotonics: co-operative breakthroughs
11:00 – 11:20	Szeged
11:20 - 11:40	Dundee
11:40 - 12:00	Brno (Raman tweezers, cell sorter, applications)
12:00 - 12:20	St. Andrews (light sheet, Raman)
12:20 - 12:50	Defining subjects to target together in visible future
13:00 - 14:00	Lunch
14:00 – 14:30	Šimon Řeřucha
14:30 – 18:00	After lunch outdoor program (visit of UNESCO city Telč or bike or walk trip in surrounding forest/castles/peaks)
18:00	banquet with wine tasting
Friday, June the 20th	
7:00 - 9:00	breakfast
9:00 – 10:30	Photonics and engineering: co-operative breakthroughs
9:00 - 9:20	Dundee
9:20 – 9:40	Brno (Optical trapping in vortices, of nanoparticles, non-spheres, hydrodynamic synchronization, experiments & theory)
9:40 - 10:00	St. Andrews (theory, eigenmodes)
10:00 -10:20	Szeged
10:30 - 11:00	coffee break
11:00 – 13:00	Appealing cross-disciplinary activities and topics
11:00 – 11:20	Brno (Emulsion droplet lasers, vacuum trapping)
11:20 - 11:40	St. Andrews (vacuum trapping and rotation)
11:40 - 12:00	Szeged
12:00 - 12:20	Dundee
12:20 - 12:50	Defining subjects to target together in visible future
13:00 – 14:00	lunch
14:00 – 18:00	After lunch outdoor program (visit of UNESCO city Telč or bike or walk trip in surrounding forest/castles/peaks)
18:00	dinner
19:30/After dinner	Concluding discussions, strategy, plans
Saturday, June the 21st	
7:00 – 10:00	breakfast

Annotation:

Bicycle ride (6,5 Euro, paid individually) planned for Thursday or Friday afternoon according to the weather.
